MU BCT Precedent - Searching Result

MU School: Lee Shau Kee School of Business and Administration

The BCT precedents below are made on the condition that the student has followed the normal mode of study of the qualification concerned.

* Cases are for references only and do not serve as precedents

Please note that the award of a certain amount of block credits does not indicate an automatic reduction by that amount in the number of credits required for the completion of the respective HKMU Programme. The minimum number of credits required for the completion of the Programme will depend on the set of top-up courses prescribed.
